DATA PROTECTION

The data protection law requires us to inform you how we deal with your data. It also requires us to ask some specific questions relating to how we use it.

CHILDREN UNDER 16:

We do not contact children directly and only contact them through the parent. We do not take details of children's mobile numbers or email addresses. Any details displayed apart from the name will be that of a parent.

WILL EVERYONE HAVE ACCESS?

We will not sell or give your details to any third parties.

However, it may be useful for other members to have details of your phone number or email details for you and your family. This may be for say, squash or tennis leagues, tournaments, teams, arranging ladder matches, arranging friendly matches or other such happenings.

We allow other members to have access to your phone number and email address as these would be viewable by a member doing a search in the members area of our booking site. This is secure and only current members can search using a username and password.

Once you are a member you can go to the booking site and change the settings yourself if you do not want this.
