1. Message from the Tennis Chair

Welcome to Bromley sports club.

My name is Wendy Kean and I am chair of the tennis committee and also represent the tennis section on the board of directors.

Bromley Sports Club is a friendly and inclusive club which encourages all members to take advantage of the tennis opportunities available. Participation in Coaching sessions, social sessions at different levels, inter match competitive play, tournaments and box leagues are all available at the club.

We have a tennis committee made up of volunteers from the tennis section that meets monthly to arrange the tennis events for the club as well as social events such as the Christmas meal, evening entertainment and fund raising events.

We work closely with the tennis coaches to ensure that members needs are catered for whatever the level - beginner, intermediate or advanced.

We welcome feedback from members about their experience of the club so please let us know your thoughts and ideas about how things can be improved by contacting us at tenniscommittee@bromleysportsclub.co.uk

If any member is likely to have a long-term injury or illness that prevents them from playing they should let the club know immediately. There are no refunds or reduction of subscriptions.

6. Moving out of the area

This applies to those members who may be moving out of the area during the year and would like to maintain their membership until they move.

These members **MUST** let the club know at renewal or start of their subscription.

The club will then put the member on a monthly subscription. 1/12th of normal subscription.

You must tell us the month before you move that you need your subscription to end.

So, if you tell us in April then May will be the last payment and your membership ends at the end of May.

A £1 per month surcharge is applied to cover the costs of the club for monthly direct debits.

If you did not tell the office, you are moving then we are unable to give any refund.

7. Booking Courts

All courts should be booked.

This helps us determine whether the person playing is entitled to be on the court.

It also helps us to determine court usage and therefore court allocation.

You can use either classic booking or mobile. Classic is where you can see the courts next to each other. Mobile is where you see one column one court at a time or all courts by time or just free courts and the courts booked out for you.

16. Booking Floodlight courts

Floodlights courts are chargeable and can be booked 2 weeks in advance. There is a charge associated with the booking and the charge is payable by the booker. You will be responsible for collecting any monies from other players. The courts are bookable in half-hour units.

The lights are LED's, and they will come on 5 minutes before the booking and go off 5 minutes after the booking time ends.

The system is linked to sunset and lights will come on as that is the program. They come when there is a yellow square on the booking time on the club computer and the online booking system. The app does not indicate when floodlights will be on.

If the lights come on you will be charged for them.

Planning permission means that we cannot go past 10pm. Please make sure that you collect your tennis balls and equipment by the time the lights go off.

17. Booking the Airhall.

The Airhall is bookable by all tennis members. As stated earlier there is a cancellation fee if you cancel within 48 hours of your playing time.

The Airhall lights are LED's and are turned on by pressing the green button on the light control box.

When finished and no one else is after you, please turn the lights off.

Because of the layout of the lights both courts are turned on, even if only one court is booked.

Members may block book a time for the whole season. This is where a group of members want to play at the same time each week. It is best with a minimum of 6 members so that you have enough for those who cannot make certain dates and/or get injured.

You block book up to Xmas after the grass courts close and then again in the new year until the middle of April when the Airhall is taken down. You let us know who should be charged with what, depending how many times they are playing. We invoice and collect the amount by Direct Debit.

Those who block books will get priority booking rights the following year for another block booking.

Guests may only play a maximum of 3 times. It is not possible, therefore, to have one member book and bring in the same guest all season. They would need to become a member. Block bookers need to pay for any guests at the bar after playing unless you have made alternative arrangements with the office.

If interested in a block booking, please do contact the office. The evening sessions are 7.00 to 8.30 and 8.30 to 10pm.

18. Court Charges

Floodlights: £4 per half hour

This will be collected by direct debit at the beginning of the following month. You need do nothing unless you feel there is an error. Any monies due will be collected automatically on the date given.

Please note that if you cancel your direct debit before renewal then you will not be allowed to book further courts. If you are not going to renew then let us know when you get the renewal invoice and you can cancel your direct debit after we have collected any final court fees.

20. Clay Courts - Maintenance

It is essential to brush the clay courts after each and every use in order to maintain the stability and longevity of the surface. The graphic below describes how to sweep court.

21. Safeguarding

The club takes safeguarding very seriously:

All our coaches over the age of 16 are DBS checked and have undergone a safeguarding course. All our buddy hitters are DBS checked.

All our tennis coaches have been on a first aid course and are licensed and fully insured.

A record of all our coaches' licences, DBS, Safeguarding and renewal dates are kept by the manager to ensure that they are kept up to date.

Adults should be aware they cannot change or shower with children present. Please see our changing room policy.

We have a safeguarding/welfare officer. Her name is Julia Conway and she can be contacted on 07989 393952 or emailed at julia10conway@googlemail.com

You can also speak with the manager if you have any concerns.

The Board of Directors have a Director who is responsible for ensuring that the Club manager is correctly applying the appropriate checks on all staff and keeping appropriate records.

Safeguarding is on the agenda of every Directors meeting.

Notices of our policy and how to contact the Safeguarding/welfare officer are on the squash and tennis notice boards.

The championship includes handicap events.

Finals Weekend – June 21st and June 22nd

24. Social Tournaments

During the year there will be social tournaments organized by the Tennis committee.

You will be emailed details of these tournaments closer to the time.

There is normally a charge for these tournaments to cover ball costs and any food and to contribute to the tennis fund used to run social events.

25. Matches against other Clubs.

The club runs 4 Adult winter teams (2 men's and 2 ladies) and 6 Adult summer teams. (2 men's, 2 ladies. 1 men's over 60 and 1 ladies over 60)

If you are interested in playing in matches, then please contact Lionel Oo on the tennis committee, email below, or speak with him in person if you see him.

Club matches in the winter are all played at weekends. The matches are programmed to be played outdoors, although if raining on the day and the indoor courts are available, they can be transferred indoors.

Club matches take priority over other bookings – except indoor bookings. If a match overruns, then it is allowed to continue.

In the summer, matches are played on the grass courts.

Match balls can be collected from the office on the week of the match and must be returned to the office after the match.

Match results should be forwarded to the league planner and to the fixture secretary.

Match balls, used just once, will be on sale in the office or behind the bar for £3 a can or purchased by team members after the match.

26. Team teas

All team teas are provided by the kitchen.

Match Captains should liaise with the kitchen prior to the match to confirm the approximate time required.

The standard team tea consists of sandwiches, cake, and cups of tea. If you want something different you will need to liaise with the kitchen before the day.

Team captains must inform the kitchen if matches are cancelled and/or rearranged.

27. Tennis coaching

Tennis coaching is provided from 3 years old and there is no upper age limit.

We coach from beginners to top performance.

Currently we have 6 coaches, 2 of whom are performance coaches.

We currently coach over 300 people in our group coaching lessons.

All our coaches offer individual lessons.

Please just contact the Director of coaching, Luke Pattinson if you want to join in the group lessons or have individual lessons. You may also contact the coaches directly to have individual lessons.

28. Individual coaching lessons and extra charges.

Coaches may coach individuals. The coaches get charged by the club for the courts and they can pass on these charges to the client.

29. Court Allocation

The balance between courts available for coaching and members being able to book courts is something that we are very conscious of, and the club needs to be fair to both sides.

The tennis committee and the coaches have both agreed to the allocation of courts chart.

This has been sent to all members and the chart is available in the downstairs lobby and on the tennis notice board upstairs.

Peak times for coaching are Saturday mornings and 4 – 7pm weekdays - both term time only.

30. Wimbledon tickets.

The time has now long passed since the club used to have a draw for Wimbledon tickets that were allocated to the club.

Nowadays the club does not have anything to do with the tickets. It is the LTA who deal with them and bypasses the club completely. For reasons best known to themselves the LTA have done away with the club allocation.

To get tickets you will need to take part in the public ballot and will need to go online so that you can enter and make sure you are eligible. The entry for 2026 opens in September 2025.
